

Coronavirus Information for Our Patients

As of March 24, 2020

1. It's ok to keep your appointment, but call us first! We will confirm your appointment and your health status.

2. Phone screening questions

When you call to confirm or schedule an appointment, you will be asked if you or anyone in your household has:

- Traveled internationally within the last 14 days
- Had contact with a known, lab-confirmed case of Coronavirus
- Has a fever, cough or is feeling unwell

3. Limit the number of visitors

Both at home and at our clinic, we want you to limit your contact with others. Given that, we ask that you do not bring someone with you to your appointment, unless absolutely necessary.

4. Protecting you in the clinic

We have always been dedicated to sanitizing every surface and room, but with the Coronavirus outbreak we are cleaning more frequently with approved cleaning products.

Hand sanitizer is available and if you need a mask, please ask the reception staff.

5. Phone Consultations Available

Phone appointments with Dr. Kovalcik or Ann Heusted, RN (for FirstLine Therapy or Nutritional Counseling) may be scheduled with the reception staff. There is a fee for phone consultations.

6. Supplements can be shipped to you

If all you need are supplements or health products from us, remember we can ship these to you. Call 248-625-6677 to place an order.

We look forward to seeing you and caring for you as we have for close to 30 years! Let's all work together to stay safe and healthy. We appreciate your compliance with the CDC guidelines and our requests to minimize exposure to the Coronavirus.
